## **TKO CAMP RULES:**

1. Our most important thing to remember for this week. We are honoring God with our time and honoring each other with good character. Everything you do this week needs to be a reflection of Christ in you!
2. Listen to your adults and student leaders. They have your best interest at heart and want to make this week safe and the best it can for you!
3. Make sure you are going by the schedule. To make it possible for everyone to enjoy all things, make sure you are where you need to be at any given time.
4. Cell Phones will only be allowed during down time. If your leader sees you on your phone or any other electronics during small group, worship service, or any other important time, they have the authority to take it up. It will be returned to you after camp. It can also be use in case of an emergency.
5. During REC and competition, there will be no vulgar language, no bullying. This a fun game time and we want everyone to enjoy!
6. During swim time, even though it's separate girls and guys time, all must wear appropriate swim wear. If girls have two piece, you must wear shirt, or one piece would be better. Guys must wear shorts during swim time.
7. All facilities that are being used are being donated by the city or wonderful people in our church and community. Respect all areas. Clean up after yourself! Yo mamma ain't here to do it.
8. NO PURPLING! NO guys should ever be alone in any circumstance with girls and vice versa. If caught, you will be asked to go home.
9. PARTICIPATE! The more you invest time into, the more you will get out of the week!
10. BE A LEADER, NOT A FOLLOWER!!!
